About Us

Suppose you wish to get the most beautiful range of Blankets for your home. In that case, Khurana Blankets Private Limited are here to serve you in the best possible manner. Our company deals in a large variety of Blankets made from the best quality textile, fabrics and yarn. Way back in the year 1997 our company started with this business, and we are pleased to inform that soon we achieved a good name as a Manufacturer and Exporter.

We, Khurana Blankets Private Limited, operate from the prime location of Haryana, India, and are renowned as a reliable Pvt Ltd company. Almost three decades back we commenced our business journey and have slowly become one of the most trusted Mink Blankets, Zemetrical Blankets manufacturers. Our designed and manufactured collection leaves our customers awestruck always as only we are capable of bringing forth such mesmerizing items. Each piece is personally checked by our quality experts and because of that our customers receive only defect free items at the end. We would like to get more inquiries from across the world as we are looking for buyers from all parts of the world.

Khurana Blankets Private Limited specializes in the Aradhya Blankets brand as its core line to connect the globe and experience the beauty of life and the goal of becoming a worldwide brand and being at the forefront of the new-gen business. Customer First, Perfection, Focus, and Acting Quickly are our fundamental principles. Our cultural DNA, which includes innovation, breakthroughs and change, has allowed us to adapt over the last 20 years and retain its industry leadership position.

Our Vision

The worldwide B2B company focuses on R&D, selling and manufacturing blanket product lines, building excellent private brands, positioning the international market, holding benchmarking production bases on the Silk Road, and integrating global supply chain resources. Foreign commerce exports remained strong, placing first in domestic export sales. The future B2B foreign trade firm will further incorporate the supply chain and brand management capabilities, improve commodities planning, promote integrated marketing in international markets, build an unstoppable wolf nature sales force, and guarantee that it continues to dominate the industry.
